

RESOLUTION NO. 2023-001
OF THE BOARD OF TRUSTEES
OF RECLAMATION DISTRICT NO. 2035

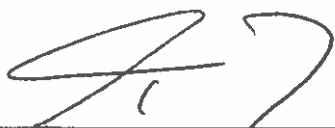

RESOLVED that the work included in the Reclamation District No. 2035 ("District") routine operations and maintenance or repair of existing levees in 2023, involves negligible or no expansion of existing uses and, hence, falls within the categorical exemption to the California Environmental Quality Act set forth in California Code of Regulations, title 14, section 15301. The operations and maintenance work does not constitute an exception to the exemptions of the California Environmental Quality Act; and that the District's Engineer is authorized to prepare and file with the County of Yolo the appropriate Notice of Exemption on behalf of the district.

RESOLVED that the President or General Manager of Reclamation District No. 2035 be and hereby is authorized to execute this resolution on behalf of this District that the routine maintenance work is determined to be categorically exempt under the California Environmental Quality Act (Pub. Resources Code, § 21000 et seq.) for the reasons set forth above.
