\* These rates are also subject to an annual inflationary increase in the cost of service for a 12-month period, as measured by the U.S. Department of Labor, Bureau of Labor Statistics, Consumer Price index for All Urban Consumers (CPI-U) All Items West for June through May of each respective Fiscal Year. The annual inflation increase will be limited to the lower of the actual cost of service increase or the CPI increase, but the adjustment will never be less than zero. Notice of any adjustment pursuant to the annual inflation increase will be provided to customers not less than 30 days before the effective date of the adjustment through a bill notice or other mailing by the District. These future inflationary rate adjustments would become effective on January 1 of 2026, 2027, 2028, 2029, and 2030.

\*\* Admin Fee does not apply to fallowed fields unless those fields are part of a crop rotation plan, or where crop insurance proceeds are received by tenant, or dry crops are farmed.
