FREDDIE OAKLEY, CLERK

LINDA SMITH

Subject: Filing of Notice of Determination in compliance with Section 21108 or 21152 of the Public Resources Code.

State Clearinghouse Number (if submitted to State Clearinghouse): 2003102095

Project Title: Reclamation District 2035/Woodland Davis Clean Water Agency Joint Intake and Fish Screen Project

Project Location (include county): Yolo County, County Road 22 at County Road 117

Under the Proposed Project/Action, Reclamation District 2035 ("RD 2035") would construct and operate a new intake and fish screen facility to replace its existing unscreened diversion. The proposed facility would have the same maximum flow pumping capacity as the existing intake (400 cfs). To accommodate joint use with the WDCWA, the new facility would include space for pumps to serve the Woodland Davis Clean Water Agency ("WDCWA"). Under the proposed facility, RD 2035 would continue to pump up to 400 cfs for agricultural uses and WDCWA would pump up to 100 cfs for municipal uses. The total combined facility flow would not exceed the 400 cfs. The new intake/fish screen meets the California Department of Fish and Game and National Marine Fisheries Service anadromous fish screen criteria.

This is to advise that RD 2035 has approved the above described project on August 28, 2012 and has made the following determinations regarding the above described project:

1. The project will not have a significant effect on the environment.
2. A Negative Declaration was prepared for this project pursuant to the provisions of CEQA.
3. Mitigation measures were made a condition of the approval of the project.
4. A mitigation reporting or monitoring plan was adopted for this project.
5. A statement of Overriding Considerations was not adopted for this project.
6. Findings were made pursuant to the provisions of CEQA.

This is to certify that the Negative Declaration is available to the General Public at: Reclamation District 2035, 45332 County Road 25, Woodland, CA 95776
