** Items 1 thru 6, Sub Total	\$ 195,000.00
EXCLUSIONS	
Geo Tech, special testing and cost, survey by others, All permits (paid by owner), signage, ALL electrical, conduit and sleeve runs, boring, liquidated damages, lime or cement treatment of soil or base, Geo Grid or stabilization fabric, compaction or inspection test cost, hazardous materials handling, weed abatement and control, Fish and Game or Corp of Engineers inspections, reports or permits, dewatering or damming of any kind, absorbent boom, working in muddy or unsuitable soil conditions, drainage system, temp fence, temp power, as-builts, bonds, special insurance, Caltrans permits, multi mobilizations, landscaping repairs or maintenance, SWPP or WPCP, construction water & fees, temp or permanent striping, thermoplastic striping, pressure washing or paint touch up of curbs or striping, concrete, traffic control & plan, vandalism and anything not expressly written or listed above in scope of work description.	
NOTES	
LCI will need to perform entire scope under one mobilization for items 1 thru 6. This estimate is based on performing this work in suitable soil and site condition and not in rainy winter conditions to prevent muddy working conditions and avoid washouts. No cherry picking, or single selections of bid items will be allowed. Construction water will need to be pulled from an onsite location and above scope of work is based on approximate start at end of October 2024. LIC cannot be held responsible for any damage that may occur to existing screen outlet and concrete housing because of the weight of equipment used on slope and this scope of work being performed. LCI will provide minor traffic & pedestrian control on site.	
	TOTAL \$195,000.00

Bid is valid for 30 days. Please contact our office at (707) 451-2813 if you have any questions regarding this bid. *THANK YOU!*
